## on the go! YOUR ULTIMATE THINGS-TO-DO LIST

**2** Say goodbye to wobbly bits and hello to the Lipomassage

Cellu M6 Endermologie treatment. As you lie down (in a space-age body stocking), the therapist rolls the machine over those problem areas, which helps break down and flush out fatty deposits, as well as boosting collagen and elastin to tone and reduce cellulite. Each treatment is £60; a course of eight is recommended, results should last for up to six months. Contact [info@lpgendermologie.co.uk](mailto:info@lpgendermologie.co.uk).

**3** You'll need a packet of Handy Andies for this one. Nicole Kidman and Aaron Eckhart star in *Rabbit Hole*, a moving film about a couple mired in grief after the death of their son. Don't expect sugary sentimentality, as each parent deals with the situation in a very different way. Kidman walks a fine line; one moment sympathetic, the next unreasonable and unappealing. Despite the subject matter there are occasional laughs, but make no mistake, this is the opposite of a romcom.

**4** Brighten up your commute and reduce your travel costs with this sizzling supermini. Yep, the award-winning result of designer Orla Kiely's collaboration with Citroën is a limited edition DS3. Priced from £16k, it's one of the most fuel- and CO2-efficient diesels around ([citroen.co.uk](http://citroen.co.uk)).

**5**

Got a big landmark birthday this year? Forget about booking the function room in your local, instead dazzle your friends and family by hiring a castle! It's sure to be unforgettable. There's something to suit all budgets, with fantastic locations in the UK and Europe. We like Forth Castle in Perthshire - it sleeps 12 and works out at £354pp for a week's stay ([homeaway.co.uk](http://homeaway.co.uk)). >
